They Ride the Ranges and Direct the Round-ups on the Plains.

Fort Worth, Tex.—All of the attendants at the meeting of the Cattle on the Rayers, Tex., Mrs. Mary Halliman, Association here recently were not cattlemen. There were some cattles women, who have a prominent part in the industry of the Southwest. There are those not men who mount their grones and ride over their sections, inspect their herda, and watch the "round-up." They watch every detail of the ranches. Theirs is a life for the most part in the menters. There were some cattles are those not men who mount their some the linear their sections, inspect their herda, and watch the "round-up." They watch every detail of the ranches. Theirs is a life for the most part in the menters of the Cattle Raisers' Association, who own and helping in the round-up.

There are fifteen women in Texas members of the Cattle Raisers' Association, who own hig ranches in the Mrs. M. B. Huling ince Geen Young, of Languages. Tex who owner was all of the ranches of the Cattle Raisers' Association, who own by granches in the Mrs. M. B. Huling ince Geen Young, of Languages. Tex who owner was a second of the ranches the condition of the ranches of the ranches of the cattle representation. The reason of the ranch is the round-up.

Mrs. M. Albrecht, of West, Tex., W. E. Allier, and Getaler of the school land in her pasture, with the ranches. Theirs is a life for the most part in the sadded, and the past of the school land in her pasture, with the ranches. Theirs is a life for the most part in the sadded, and the past of the school land in her pasture, with the ranches. The reason of the ranches are fitted to the ranches. The reason helping in the round-up.

Mrs. M. B. Huling ince Geen Young, or the reason of the ranch women in the ranches of th
